LOG # 1056297: Additional Allegations

Last night someone entered my apartment again with keys. They took additional letters that I had written in the past days to be included in allegations against Dearborn Homes and the copy of the first police report I (attempted) to file on or about July 17-19, 2012. Today, I went to the 1st District CPD station at approximately 10 a.m. and the police told me the report would be filed as a burglary. Finally two officers took me to my apartment in order to see the crime scene.

Officer Edwards-Kemp took the "lead" and after listening to the excuses of the property manager and the supervisor of the Family Works program she decided not to complete a police report. Officer Hillard went along with Edwards-Kemp saying that CHA was going to correct the problem by getting me new keys and the supervisor [REDACTED] denied that her employee didn't have keys to my unit even though, I adamantly told the supervisor [REDACTED] that I was present when [REDACTED] entered my apartment with keys accompanied by two officers from the 2nd district on July 31, 2012. I complained to the police and to Haynes that [REDACTED] illegally filed an involuntary mental health petition at [REDACTED] to commit me against my will on 7/31/2011.

Dearborn Homes and the Family Works program have been attempting to take all of the evidence I had to support my allegations against Dearborn Homes et.al.... Dearborn Homes and the Family Works program has not honored the ADA requirement to provide an appropriate ADA apartment modifications of my home since November, 2011 and accommodations... Dearborn Homes and Family Works has numerous sets of keys to enter my unit to violate my Human Rights.

Dearborn Homes and the Family Works have been attempting to build evidence by stealing the evidence that I have gathered and documents including medical documents to address violation of my rights. Dearborn Homes and Family Works have allowed access to my apartment daily and increasingly since July 31st in an attempt to undermine the legal claims and charges I have filed with State Agencies...

On or about July 17-July 19 two 1st district officers responded to my first request to file a police report. One officer was a Caucasian and the other was Hispanic his name was [REDACTED]. They didn't give me a full police report that report was also stolen from my apartment.

On August 9, 2012 Officer Vicari refused to give me an original police report and demanded that I leave the Police station when I asked her why didn't she include my name on what she'd written as a police report. She reluctantly added that I was complaining about theft of two sets of keys but refused to give me a full police report.
